## Hughes Watters Askanase LLP

*Hughes, Watters, Askanase LLP has been not only a strong supporter of the Equal Access to Justice Champions Program, the firm has also done a tremendous job supporting HVLP's other pro bono efforts. The firm consistently helps staff HVLP's Saturday Legal Advice Clinics and Drive-Time Legal Clinics, and the firm is always willing to assist on other outreach programs when requested. HVLP has relied heavily on the firm's volunteer attorneys to take many of the bankruptcy cases that are otherwise difficult to place. In addition, the firm has already exceeded its Equal Access pledge of six cases per year by taking nine cases to date. The firm's volunteer attorneys always enthusiastically offer their time and talent to promote legal services to those in our community who cannot otherwise afford representation.*
